First SORSI Lifetime Achievement

O. Nelson DeCamp received the first ever lifetime achievement award at the 2017 SORSI Homecoming Conference in Denver Colorado. If you were not here, you were missed!

Dierdre D'Antonio is now our reigning Chiropractor of the Year. Well-deserved for many years. We wish that we could give this award to all deserving members, but it is a once-a-year and once- a lifetime award. THANK- YOU Dierdre from your extended SORSI family!

Unfortunately, YOU missed the family, the inspiration, the education and the opportunity to witness the miracles. As always at SORSI, several doctors left many pains and dysfunctions behind as they left this morning to go home. A 2+ year old wrist pain. A 10+ year old shoulder pain.....All will be available through the SORSI website.

Look for more updates soon. Time to catch my plane.

The essence of SOT® Philosophy, Art and Science and “The Major” live on through SORSI and our world-class instructors. Be all that you can be. You and your patients deserve it.
