

SORSI EVENT CANCELLATION POLICY

EVENT REFUNDS AND CANCELLATIONS

Beginning in 2022, we have implemented a strict refund policy. There are no refunds for event tickets.

If SORSI cancels an event, participants would be eligible for a Refund or credit to the next like event within one year.

HOMECOMING & MIDYEAR

As a one-time courtesy, tickets may be deferred to the next Homecoming or Mid Year event. You **MUST** contact office@sorsi.com **PRIOR** to the event to defer your ticket to the next event. The deferred ticket must be used for a SORSI annual event within a year of the event you are deferring. No Exceptions.

Any additional registration fees due for the deferred event must be paid at the time the ticket is deferred. If the event fee is less than the original fee, there is no refund for unused funds.

If you are unable to attend the event your ticket was deferred to, your fee then becomes a donation to the organization. We appreciate your support and attendance at our events.

IN PERSON SEMINARS

As a one-time courtesy, tickets may be credited for one of the next In Person Seminars. You **MUST** contact office@sorsi.com **PRIOR** to the event to defer your ticket. No Exceptions. This deferment is to be used within one year of the In Person Seminar you were unable to attend. You may use the credit for any In Person Seminars scheduled during that year, including Homecoming or Midyear.

Any additional registration fees due for the deferred event must be paid at the time the ticket is deferred. If the event fee is less than the original fee, there is no refund for unused funds.

If you are unable to attend the event your ticket was deferred to, your fee then becomes a donation to the organization. We appreciate your support and attendance at our events.

WEBINARS

All webinar attendees are given access to the webinar recordings. If you are unable to attend a webinar, you will have access to the recording.
