EXHIBITOR EVENT INFORMATION

How many doctors attend?

This year we are planning for 250+ attendees.

How many exhibitors attend?

In a typical year we have around 10 - 12 exhibitors attending Homecoming.

How many students attend?

Students are a big part of our event and we love having future doctors in attendance. We typically have students from Palmer, Logan, Life, and Northwestern with a spattering of other students from various colleges around the nation. Generally speaking, our student population at events is around 30 - 50.

How large is your membership?

Our current US membership is around 300, and growing rapidly. We have new members joining us on a regular basis.

What percentage of your membership is international?

Currently our membership internationally through SORSI is about 15% of current members. The bulk of our international members reside in Canada, Mexico, Australia, Europe, Brazil and Japan. Not all international members are officially SORSI members, as we have sister organizations where their official membership resides. Soto- Europe, Soto-Australasia, Soto- South America/Brazil, Soto- Japan,

What countries make up the largest groups of your membership?

United States, Australia, Europe, Japan, Mexico
