## EXHIBITOR EVENT INFORMATION

### How many doctors attend?

This year we are planning for 85 – 150 attendees.

### How many exhibitors attend?

We typically have up to 10 exhibitors.

### How many students attend?

Students are a big part of our event and we love having future doctors in attendance. We typically have students from Palmer, Logan, Life, and Northwestern with a spattering of other students from various colleges around the nation. Generally speaking, our student population at Homecoming events is around 10 students.

### How large is your membership?

Our current US membership is around 300. We have new members joining us on a regular basis.

### What percentage of your membership is international?

Currently our membership internationally through SORSI is about 15% of current members. The bulk of our international members reside in Canada, Puerto Rico, Australia, Europe, Brazil and Japan. Not all international members are officially SORSI members, as we have sister organizations where their official membership resides. Soto- Europe, Soto-Australasia, Soto- South America/Brazil, Soto- Japan,

### What countries make up the largest groups of your membership?

United States, Australia, Europe, Japan, Brazil
